Outstanding Senior

Congratulations to Nathan Rosenfeld for being named the Outstanding Senior for the month of December.

Gadgets for Future Graduates

The 5th Annual Gadgets for Future Graduates program took place in December.

The program is designed to provide useful gifts for deserving students in grades 9-12 (those not covered under the Toys for Kids program). The program is supported via various fundraisers and community donations received throughout the year.

Dave Shollock dropped off the Christmas gifts on December 17, 2024, that they purchased for 25 students at FCRHS. All gifts are meant to assist students with their academics, college plans and/or career goals. These gifts were distributed to the students before the Christmas break.

A huge thank you to Dave Shollock, Courtney Shollock, Dan Nebzydoski, William Orasin III, and Mike Tammero for making 25 student's futures brighter.
