Dear Parent/Guardian:

Beginning in the 2024-2025 school year, all students enrolled in Advanced Placement (AP) Courses will be required to pay the associated fee for their exam. Students who earn a 3 or higher on the exam will receive a refund for the exam. Students enrolled in AP courses are required to take the exam.

AP Exams are standardized exams designed to measure how well students have mastered the content and skills of a specific AP course. Most AP courses have an end-of-year paper-and-pencil exam, but a few courses have different ways to assess what students learned, for example, in AP Computer Science Principles the students score is based on components that they'll submit to the AP Program online for review as well as an end-of-course exam.

The cost for each AP Exams is as follows:

Advanced Placement Course	College Board Exam Fee
AP Biology	\$98
AP Calculus AB	\$98
AP Chemistry	\$98
AP Computer Science A	\$98
AP Computer Science Principles	\$98
AP English Language and Composition	\$98
AP Statistics	\$98
AP Seminar	\$146
AP Precalculus	\$98
AP Research	\$146
AP Spanish	\$98
AP United States Government and Politics	\$98

Payment will be due in full to the Counseling Office no later than November 6, 2024. Families are permitted to make weekly payments until the balance is paid in full.

Sincerely,
